## gENDER MAINSTREAMING IN ACTION

SUCCESSFUL INNOVATIONS FROM ASIA & THE PACIFIC

Join us in celebrating the launch of InterAction's Commission on the Advancement of Women and the International Institute of Rural Reconstruction's new publication, *Gender Mainstreaming in Action: Successful Innovations from Asia and the Pacific*.

The publication is a collection of 18 case stories highlighting innovative practices promoting gender equity in Asia and the Pacific. Cast in simple language and illustration, this collection of best practices features practical experiences in gender mainstreaming at the grassroots, program, and institutional levels. Each case story provides concise lessons and recommendations. Contributing organizations will share their case stories and experience with the writeshop method, a unique participatory approach used in the development of this publication.
